WEDDING EVENT PACKAGES

DIY

The DIY (Do-It-Yourself) wedding package is a great option for those who enjoy DIY projects at heart. With the DIY package, you save money by taking care of all the event coordination, setup, and clean up yourself.

DIYish

The DIYish package is for couples who enjoy DIY projects, but don't want to manage all the work on your big day. With DIYish, we take care of setup, cleanup, and linens. Then you add the final touches.

INCLUSIVE

Our Inclusive Package is for the couple who wants less stress on your wedding day. We take care of all the venue setup and cleanup, and we also provide an event coordinator for the day of your wedding.
